

DAILY CHORE CHART

A visual breakdown of
daily chores for
preschoolers-school ages.

Use this for daily chores (or on the days you want chores done). Using visuals can help reduce the amount of verbal cueing needed and therefore reduce likelihood of conflict.

These chores are appropriate for children from preschool through 7-8 years old.

Many of the chores overlap with the both the morning and evening routine schedules.

DAILY CHORE CHART

YOU ARE UNIQUE. SHINE BRIGHT

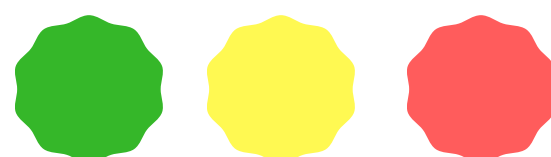

TASK

OUTCOME

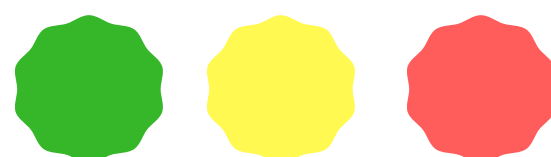

LISTEN THE FIRST TIME

TAKE CARE OF MY BODY

BE RESPECTFUL TO OTHERS

READ AT NIGHT

KEEP MY SPACE CLEAN
